

THE BOOK MUSEUM AT THE RESEARCH LIBRARY OF TOMSK STATE UNIVERSITY

The Book Museum is based on the Department of Rare Books and Manuscripts and contains masterpieces of book culture monuments that characterize the uniqueness of the Research Library stock: manuscripts and early printed books, newspapers and magazines, lifetime editions of writers' and poets' works in Russian and foreign languages, scientific papers, books with interesting history including autographed ones.

The exposition is supplemented by paintings and graphic works of the 19th-20th centuries.
